Baby, can't you see I'm calling?
A guy like you should wear a warning

It's dangerous

I'm falling

Am

There's no escape, I can't wait

I need a hit, baby, give me it

You're dangerous

I'm loving it

Am

Too high, can't come down

Losing my head, spinning 'round and 'round

Do you feel me now?

With a taste of your lips, I'm on a ride

You're toxic, I'm slipping under

With a taste of a poison paradise

I'm addicted to you

Don't you know that you're toxic?

(Am C)

F

And I love what you do

Don't you know that you're toxic?

It's getting late to give you up

I took a sip from my devil's cup

Slowly

It's taking over me

Am

Too high, can't come down

It's in the air and it's all around

Can you feel me now?

Intoxicate me now. With your loving now

I think I'm ready now. I think I'm ready now

Intoxicate me now. With your loving now

I think I'm ready now. I think I'm ready now
