

# Britney Spears - Toy Soldier

Tom: D

Yeah smash on the radio, bet I penned it!  
 Britney (break me off) [repeats]  
 Oh, toy soldier [repeats]

**Bm**  
 I'm out the door, it's automatic, simple babe (why you wanna do that to me?)

**D**  
 I'm like a fire, bottle busting in your face (why you wanna do that to me?)

**G**  
 So tired of you being up in my space (what you gonna do with that?)  
 How much more could I take?

**Gb**  
 I'm tired of privates driving, need a general that ain't weak...

**Bm**  
 When I shut the door leaving with my bag, hit the scene in my new wag

**D**  
 Bet he gonna wish he knew the type of fun I'm getting into,

**G**  
 Peek a boo, he good...doing things you wish, you wish you could,

**Gb**  
 He's not talking, he's just walking like them city boys from New York

**Bm**  
 This time I need a soldier, a really bad ass soldier  
 That know how to take, take care of me

**D**  
 I'm so damn glad that's over

**G**  
 This time I need a soldier, I'm sick of toy soldiers  
 (I need ....I'm so sick of...toy soldiers...)

**Gb**  
 A boy that knows how to take care of me,  
 Won't be just coming over...

**Bm**  
 I don't want no more (break me off) [repeats]  
 Oh, toy soldier [repeats]  
 I'm simply sick and tired of those...

**Bm**  
 I don't want no more,  
 I'm simply sick and tired of those...

**Bm**  
 I want it more than ever now,  
 I realized that they ain't listening,

**D**  
 Like a princess supposed to get it  
 That's why I'm dusting off my fitted,

**G**  
 Coming back looking delicious,  
 Yes I know they wanna kiss me,

**Gb**  
 Now I hold them at attention,  
 'Cause new Britney's on a mission...

**Bm**  
 When I shut the door leaving with my bag, hit the scene in my new wag

**D**  
 Bet he gonna wish he knew the type of fun I'm getting into,

**G**  
 Peek a boo, he good...doing things you wish, you wish you could,

**Gb**  
 He's not talking, he's just walking like them city boys from New York

**Bm**  
 This time I need a soldier, a really bad ass soldier  
 That know how to take, take care of me

**D**  
 I'm so damn glad that's over

**G**  
 This time I need a soldier, I'm sick of toy soldiers  
 (I need ....I'm so sick of...toy soldiers...)

**Gb**  
 A boy that knows how to take care of me,  
 Won't be just coming over...

**Bm**  
 Brit, I heard that he was saying he's still in love with you,  
 and

**D**  
 Brit, I heard he said he could stay if he wanted to, and

**G**  
 Brit, I heard every man out here is wanting you now

**Gb**  
 Brit, I heard, I heard, what you gonna do now?

**Bm**  
 This time I need a soldier, a really bad ass soldier  
 That know how to take, take care of me

**D**  
 I'm so damn glad that's over

**G**  
 This time I need a soldier, I'm sick of toy soldiers  
 (I need ....I'm so sick of...toy soldiers...)

**Gb**  
 A boy that knows how to take care of me,  
 Won't be just coming over...
