

# Britney Spears - When Your Eyes Sai It

Tom: **Bb**

I love to hear you say that you love me  
 With words so sweet  
 And I love the way with just one whisper  
 You tell me everything  
 And when you say those words  
 It's the sweetest thing I've ever heard

:Chorus:

But when your eyes say it  
 That's when I know that it's true  
 I feel it  
 I feel the love coming through  
 I know it  
 I know that you truly care for me  
 'Cause it's there to see  
 When your eyes say it

I love all the ways that you show me  
 You'll never leave  
 And the way your kisses, they always convince me  
 Your feelings run so deep  
 I love the things you say  
 And I love the love your touch conveys

:Chorus:

But when your eyes say it  
 That's when I know that it's true  
 I feel it  
 I feel the love coming through  
 I know it  
 I know that you truly care for me  
 'Cause it's there to see  
 When your eyes say it

But when your eyes say it  
 That's when I know that it's true

I feel it  
 I feel the love coming through  
 I know it  
 I know that you truly care for me  
 'Cause it's there to see  
 When your eyes tell me  
 I know they're not tellin' lies  
 They tell me  
 All that you're feelin' inside  
 And it sounds so right  
 When your eyes say it, say it

And the words that say take my breath away  
 No song ever sounded so sweet  
 I love every word that they say to me

:Chorus:

But when your eyes say it  
 That's when I know that it's true  
 I feel it  
 I feel the love coming through  
 I know it  
 I know that you truly care for me  
 'Cause it's there to see  
 When your eyes say it

But when your eyes say it  
 That's when I know that it's true  
 I feel it  
 I feel the love coming through  
 I know it  
 I know that you truly care for me  
 'Cause it's there to see  
 When your eyes tell me  
 I know they're not tellin' lies  
 They tell me  
 All that you're feelin' inside  
 And it sounds so right  
 When your eyes say it
