

Britney Spears - You Got It All

Tom: **Bb**

Ooh...

I...
 I was the game he would play
 He brought the clouds to my day
 Then like a ray of light
 You came out of the night
 Just one look and I knew
 You would make everything clear
 Make all the clouds disappear
 Put all your fears to rest
 Who do I love the best
 Don't you know
 Don't you know

You've got it all over him
 You got me over him
 Honey it's true
 There's just you
 You must have been heaven sent
 Hearing me call
 You were out on a limb

And you're all that he's not
 Just look what I've got
 'Cause you've got it all
 Over him
 All over
 You've got it all over
 All over
 You've got it all over

Now, don't let him worry you so
 What's a matter with you
 I let go
 Oh you can surely see
 You're so much more to me

Just one look and I knew
 You would make everything clear
 Make all the clouds disappear
 You're better than all the rest
 Who do I love the best
 Yeah...
 Don't you know
 Don't you know

You've got it all over him
 You got me over him
 Honey it's true (so true)
 There's just you
 You must have been heaven sent
 Hearing me call
 You went out on a limb

And you're all that he's not (all that he's not)
 Just look what I've got (look what I've got)
 'Cause you've got it all (you've got it all)
 All over him

You've got it all over him
 You got me over him
 Honey it's true (so true)
 There's just you
 You must have been heaven sent
 Hearing me call
 You went out on a limb (out on a limb)

And you're all that he's not (all that he's not)
 Just look what I've got (look what I've got)
 'Cause you've got it all (you've got it all)
 Over him

All over
 You've got it all over
 All over (uh, huh)
 You've got it all over
 Him...
