

Britt Nicole - All This Time

Tom: Db

(com acordes na forma de Capostrate na 1ª casa C)

I remember the moment I remember the pain
 I was only a girl but I grew up that day
 Tears were falling
 I know You saw me
 Hiding there in my bedroom, so alone
 I was doing my best, trying to be strong
 No one to turn to that's when I met You

All this time
 From the first tear cry to today's sunrise
 And every single moment between
 You were there You were always there
 It was You and I
 You've been walking with me all this time
 You've been walking with me all this time

Ever since that day it's been clear to me
 That no matter what comes You will never leave
 I know You're for me and You're restoring
 Every heartache and failure every broken dream
 You're the God who sees the God who rescued me

This is my story this is my story

All this time
 From the first tear cry to today's sunrise
 And every single moment between
 You were there You were always there
 It was You and I
 You've been walking with me all this time
 You've been walking with me all this time
 I hear these people asking me how do I know what I believe?
 Well I'm not the same me and I saw the proof I need
 I felt Love I felt Your grace you stole my heart that day

All this time
 From the first tear cry to today's sunrise
 And every single moment between
 You were there You were always there
 It was You and I
 You've been walking with me all this time
 (Ever since the first tear cry it was you, you and I)
 You've been walking with me all this time
 (Ever since the first tear cry it was you, you and I)
 You've been walking with me all this time
