

## **Broken Social Scene - Skyline**

```
Tom: D
 (forma dos acordes no tom de C )
Capostraste na 2ª casa
            [Primeira Parte]
The skyline waits for the world
The skyline waits for the fall
But you shouldn't have come at all
The skyline waits for the world
The skyline waits for the fall
But you shouldn't have come at all
[Refrão]
'Cause I know
You're never gonna be
No you're never gonna be that word
You shouldn't have come at all
Yeah I know
You're never gonna be
No you're never gonna be that word
I shouldn't have come at all
[Segunda Parte]
The skyline waits for the world
The skyline waits for the fall
But you shouldn't have come at all
The skyline waits for the world
The skyline waits for the fall
But you shouldn't have come at all
[Refrão]
