

Broods - Are You Home

Tom: G

Baby, you know ^{Em} that I like to be ^G right
 But I'm hoping this time, baby, I'm wrong
 Baby, you know I'm loving you skin tight
 But I'm thinking this time, you want me to run
 When she calls, tell me truth
 Tell me truth
 Is it more than I knew?
 I knew

So are you home tonight?
 Are you alone tonight?
 I've been drinking and I'm thinking, that I don't wanna fight
 Are you home tonight?
 Are you alone tonight?
 You've been drinking and I'm thinking
 Are we sinking?
 Yeah, I just wanna fight
 I just wanna fight

Darling I know it wasn't the first time
 I went outta my mind, hoping for more
 Darling you know, that this is the last time
 You don't get to come round, begging for more
 When she calls, tell me truth
 Tell me truth
 Is it more than I knew?
 I knew

So are you home tonight?
 Are you alone tonight?

I've been drinking and I'm thinking, that I don't wanna fight
 Are you home tonight?
 Are you alone tonight?
 You've been drinking and I'm thinking
 Are we sinking?
 Yeah, I just wanna fight
 I just wanna fight
 I just wanna fight
 (Em G)
 (Em G)
 (Em G)

Is it more than I knew?
 I knew
 So are you home tonight?
 Are you alone tonight?
 I've been drinking and I'm thinking, that I don't wanna fight
 Are you home tonight?
 Are you alone tonight?
 You've been drinking and I'm thinking
 Are we sinking?
 Yeah, I just wanna fight
 So are you home tonight?
 Are you alone tonight?
 I've been drinking and I'm thinking, that I don't wanna fight
 Are you home tonight?
 Are you alone tonight?
 You've been drinking and I'm thinking
 Are we sinking?
 Yeah, I just wanna fight

I just wanna fight
 I just wanna fight
 I just wanna fight
