

# Broods - Heartines (Acoustic)

Tom: C

We could fool the datelines<sup>C</sup>  
 We could jump the state lines<sup>G</sup>  
 I don't always play nice<sup>Am7</sup>  
 But I wanna feel your heartlines<sup>F</sup>  
 I'll pick you up at midnight<sup>C</sup>  
 We'll run to beat the sun light<sup>G</sup>  
 We only get the one life<sup>Am7</sup>  
 And I wanna feel your heartlines<sup>F</sup>  
 I wanna feel your heart

<sup>C</sup>  
 Have you been let down  
<sup>G</sup> By the ones before?<sup>Am7</sup>  
<sup>F</sup>  
 Do you leave too soon to know?  
<sup>C</sup> Never fell in love ?cause I just cut loose<sup>Am7</sup>  
<sup>F</sup>  
 But not when it comes to you

<sup>C</sup>  
 Dressing in black  
<sup>G</sup>  
 You're around for the weekend

Dancing at night  
 You're the light that I won't let go<sup>Am7</sup>  
<sup>F</sup>  
 And I want you close

<sup>C</sup>  
 We could fool the datelines  
<sup>G</sup>  
 We could jump the state lines  
<sup>Am7</sup>  
 I don't always play nice  
<sup>F</sup>  
 But I wanna feel your heartlines  
<sup>C</sup>  
 I'll pick you up at midnight  
<sup>G</sup>  
 We'll run to beat the sun light  
<sup>Am7</sup>  
 We only get the one life  
<sup>F</sup>  
 And I wanna feel your heartlines  
 I wanna feel your heart

<sup>C</sup>  
 Now we're far apart, in and out of touch<sup>Am7</sup>  
<sup>F</sup>  
 And the words don't mean as much  
<sup>C</sup> So I sit across from someone new<sup>Am7</sup>  
<sup>G</sup>  
<sup>F</sup>

But they don't compare to you

<sup>C</sup>  
 Lying in bed wide awake I remember  
<sup>G</sup> Dancing at night you're the light that I won't let go<sup>Am7</sup>  
<sup>F</sup>  
 And I want you close

<sup>C</sup>  
 We could fool the datelines  
<sup>G</sup>  
 We could jump the state lines  
<sup>Am7</sup>  
 I don't always play nice  
<sup>F</sup>  
 But I wanna feel your heartiness  
<sup>C</sup>  
 I'll pick you up at midnight  
<sup>G</sup>  
 We'll run to beat the sun light  
<sup>Am7</sup>  
 We only get the one life  
<sup>F</sup>  
 And I wanna feel your heartlines  
 I wanna feel your heart

<sup>C</sup>  
 Lying in bed wide awake I remember  
<sup>G</sup> Dancing at night you're the light that I won't let go<sup>Am7</sup>  
<sup>F</sup>  
 'Cause I want you close

<sup>C</sup>  
 We could fool the datelines  
<sup>G</sup>  
 We could jump the state lines  
<sup>Am7</sup>  
 I don't always play nice  
<sup>F</sup>  
 But I wanna feel your heartiness  
<sup>C</sup>  
 I'll pick you up at midnight  
<sup>G</sup>  
 We'll run to beat the sun light  
<sup>Am7</sup>  
 We only get the one life  
<sup>F</sup>  
 And I wanna feel your heartlines

<sup>C</sup>  
 We could fool the datelines  
<sup>G</sup>  
 We could jump the state lines  
<sup>Am7</sup>  
 I don't always play nice  
<sup>F</sup>  
 But I wanna feel your heartiness  
<sup>C</sup>  
 I'll pick you up at midnight  
<sup>G</sup>  
 We'll run to beat the sun light  
<sup>Am7</sup>  
 We only get the one life  
<sup>F</sup>  
 And I wanna feel your heartlines  
 I wanna feel your heartlines
