Am Am Am Am  
 In the dead of night I'll meet you in my sleep  
 Am Am Am Am  
 And in the morning light you'll wake up next to me  
 Am Am Am Am  
 Like a dream come true I'll take you where I roam  
 Am Am Am Am  
 Then follow you back home

Am Am Am Am  
 Tell me you care  
 Am Am Am Am  
 Tell me you care

Am Am Am Am  
 If I lose my way and forget what I need  
 Am Am Am Am  
 Just remind me now of what you give to me  
 Am Am Am Am  
 If you hold my hand and take me where you go  
 Am Am Am Am  
 I'll show you the side that no one knows

Am Am Am Am  
 I'm taking you there  
 Am Am Am Am  
 I'm taking you there

G G  
 If scars are for the living  
 G Am  
 Then I could be forgiven  
 G G G  
 And everything you need  
 G Am  
 I could give you  
 G G  
 If scars are for the living  
 G Am  
 Then I could be forgiven  
 G  
 And everything you have  
 G G Am  
 I take too  
 Am Am Am Am  
 Tell me you care  
 Am Am Am Am  
 I'm taking you there  
 Am Am Am Am  
 Tell me you care  
 (If scars are for the living, I could be forgiven)

 I'm taking you there

 Am Am Am Am  
 Tell me you care
