

# Brother Simion - Holy Land

Tom: D

In the holy land  
 In the holy land  
 I'm walking with Jesus  
 In the holy land

Every little morning  
 It's a gift from God  
 Every single day  
 I wanna praise you, lord

I will lift up my eyes unto the hills  
 Oh! From where comes my help, my refuge  
 My help comes from the lord of the lords  
 Wich has made heaven and earth  
 And you, and me

In the holy land

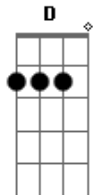

In the holy land  
 I'm walking with Jesus  
 In the holy land

Each rain drop  
 It's a kiss from heaven  
 Each step I take  
 I wanna walk with you, lord

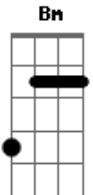

I will lift up my eyes unto the hills  
 Oh! From where comes my help, my refuge  
 My help comes from the lord of the lords  
 Wich has made heaven and earth  
 And you, and me

In the holy land  
 In the holy land  
 I'm walking with Jesus  
 In the holy land
