Brothers Osborne - I'm Not For Everyone
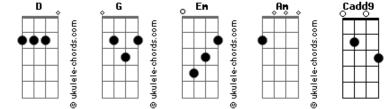

```
                        tom:
                 G
Intro: Cadd9  G  Cadd9  G
       Cadd9  G  D
```

[Primeira Parte]

```
        Cadd9                       G
Some people clap on the one and three
        Cadd9                       G
Some people clap on the two and four
     Cadd9              G                    D
Some people don't join at all 'cause they got no rhythm

And?that's alright
     Cadd9                   G
Some people, they drink too much
     Cadd9                     G
Some people don't drink enough
     Cadd9                 G
Some people are just like me
D
   I hope y'all forgive 'em
```

[Refrão]

```
        Cadd9               G
I'm like scotch and zydeco bands
        D              G
I'm like B-side Townes Van Zandt
         Cadd9
I'm always speaking my mind
G                          Em      D
When I'm better off biting my tongue
        Cadd9           G
I'm a bad joke at the wrong time
         D            Em
Hell, I'm a legend in my own mind
 D         Cadd9            D
I'm good for some but I'm not for everyone

( Cadd9  G  Cadd9  G )
```

[Segunda Parte]

```
             Cadd9                   G
If I was sweet tea, it'd be a bit bitter
           Cadd9                   G
If you took a drink, you might reconsider
           Cadd9                        G
If I was a church, I'd be hanging with the sinners
               D
Talking 'bout Hendrix and Heaven
             Cadd9       G
If I was a bar, I'd be a dive
             Cadd9            G
```

```
A free jukebox in a double-wide
       Cadd9                   G
Neon lights saying "Come inside"
              D
And I'd be "Open 24/7"
```

[Refrão]

```
        Cadd9               G
I'm like scotch and zydeco bands
        D              G
I'm like B-side Townes Van Zandt
         Cadd9
I'm always speaking my mind
G                          Em      D
When I'm better off biting my tongue
        Cadd9           G
I'm a bad joke at the wrong time
         D            Em
Hell, I'm a legend in my own mind
 D         Cadd9            D
I'm good for some but I'm not for everyone
( Cadd9  G  D  G )
( Cadd9  G  D )
```

[Ponte]

```
         Cadd9               G
Yeah, I'm hard to love, it's true
        Am               G
I'm a little more rough than smooth
         Cadd9               G                    D
It's a wonder I found somebody like me, like you
```

[Refrão]

```
        Cadd9               G
I'm like scotch and zydeco bands
        D              G
I'm like B-side Townes Van Zandt
         Cadd9
I'm always speaking my mind
G                          Em      D
When I'm better off biting my tongue
        Cadd9           G
I'm a bad joke at the wrong time
         D            Em
Hell, I'm a legend in my own mind
 D         Cadd9            D            Cadd9  G
I'm good for some but I'm not for everyone
                      Em              D
Yeah, I'm good for some but I'm not for everyone
