

Brothers Osborne - Stay a Little Longer

tom:

Intro: Gb Ebm B

[Primeira Parte]

Something like a strong wind is coming over me

Has got a hold of me, yeah

Thinking and doing things I shouldn't be

I really shouldn't be

[Pré-Refrão]

Give it one more call

It's one more whatcha doin' right now??

It's one more trip to my side of town and you walk right in

One more here we go again

[Refrão]

One more drink leads to another

You slide up close to me

Tear our t-shirts off each other

Your hands all over me

I tell myself I'm not in love

But one more time is not enough

One last kiss and then you're a goner

And I'm here wishing you could stay a little longer

(Gb)

[Segunda Parte]

So calm and so cool, yeah I try to be

Like it don't bother me

The last time was the last time

Until I'm all alone and picking up the phone

Acordes
