

Bruce Springsteen - 4th Of July, Asbury Park (Sandy)

tom:

Intro: C F C F C F

Sandy, fireworks are hailing over Little Eden tonight
 Forcing the light into all those stony faces
 Left stranded on this warm July

Down in town the circuit's full of switchblade lovers
 So fast so shiny so sharp
 As the wizards play down on Pinball Way
 On the boardwalk way past dark
 And the boys from the casino dance with their shirts open
 Like Latin lovers on the shore
 Chasing all them silly New York virgins by the score

San...dy the aurora is rising behind us
 This pier lights our carnival life forever
 Oh, Love me tonight for I may never see you again, hey Sandy girl
 My, my baby
 (F G C F C)

Now the greasers ah, they tramp the streets or get busted
 For sleeping on the beach all night
 Them boys in their high heels
 Ah Sandy their skins are so white
 And me I just got tired of hanging in them dusty arcades
 Banging them pleasure machines
 Chasing them factory girls underneath the boardwalk
 Where they all promise to unsnap their jeans
 And you know that tilt-a-whirl down on the south beach drag

I got on it last night and my shirt got caught
 And they kept me spinning, didn't think I'd ever get off

San...dy the aurora is rising behind us
 This pier lights our carnival life on the water
 Running, laughing 'neath the boardwalk, oh, with the boss' daughter

I remember Sandy girl,
 Na na na na na Baby

(F G C F C)

Sandy that waitress I was seeing lost her desire for me
 I spoke with her last night

She said she wont set herself on fire for me anymore
 She work that joint under the boardwalk

She was always the girl you saw

Bopping down the beach with the radio

The kids say last night she was dressed like a star
 In one of them cheap little seaside bars

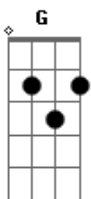

I saw her parked with lover boy out on the Kokomo
 D'ya hear the cops finally busted Madame Marie

For telling fortunes better than they do
 For me this boardwalk life's through, baby
 You ought to quit this scene too

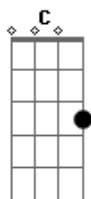

San...dy the aurora is rising behind us
 This pier lights our carnival life forever
 Oh love me tonight and I promise I'll love you forever
 Oh I mean it Sandy girl
 My my my my my baby

Yeah I promise Sandy girl
 Sha la la la la baby
