

Bruce Springsteen - A Good Man Is Hard To Find Pittsburgh

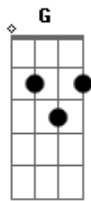

tom:
 D
 It's cloudy out in Pittsburgh, it's raining in Saigon
 D G
 Snow's fallin' all across the Michigan line
 D A
 Well she sits by the light of her Christmas tree
 G
 With the radio softly on
 D A D
 Thinkin' how a good man is so hard to find
 D
 Well once she had a fella
 G
 Once she was somebody's girl
 D A
 And she gave all she had that one last time
 D
 Now there's a little girl asleep in the back room
 G
 She's gonna have to tell about the meanness in this world
 D A D
 And how a good man is so hard to find
 A G D
 Well there's pictures on the table by her bed
 G D A
 Him in his dress greens and her in her wedding white

D
 She remembers how the world was the day he left
 G
 And now how that world is dead
 D A D
 And a good man is so hard to find
 D
 She ain't got no time now for Casanovas
 G
 Yeah those days are gone
 D A
 She don't want that anymore, she's made up her mind
 D
 Just somebody to hold her
 G
 as the night gets on
 D A D
 When a good man is so hard to find
 D
 Well she shuts off the TV
 G
 and without a word
 D A
 And into bed she climbs
 D
 Well she thinks how it was all so wasted
 G
 And how expendable their dreams all were
 D A D
 When a good man was so hard to find
 Well it's cloudy out in Pittsburgh
