

Bruce Springsteen - Action In The Streets

tom:

Intro: C F Dm C Bb F
Dm C Bb F C

Don't move, listen now to what

I'm saying

Hey you, you better get up if

You plan to be staying

And get loose, you gotta

Live for what the band is playing

Whoa whoa, whoa whoa

Tonight, we're rocking on the rhythm

Alright, until you go beserk

Don't go, unless you get

The feeling, don't go

It's cool, well everybody

Now you better take heed

Their cool, well

I got all the action you need

But don't fool,

I'm satisfaction guaranteed

Whoa whoa, whoa whoa

Tonight, we're rocking on the rhythm

Alright, until you go beserk

Don't go, unless you get the feeling, don't go

[Solo] C Bb C F Dm
Bb C F Bb C

Hey man, now don't

Let the little girls sly

Understand, move your

Body from side to side

Raise your hand, and shout

Until you're satisfied

Whoa whoa, whoa whoa

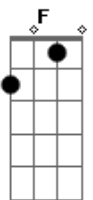

Tonight, we're rocking on the rhythm

Alright, until you go beserk

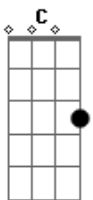

Don't go, unless you get the feeling, don't go
