

Bruce Springsteen - All Or Nothin' At All

tom: Db

Intro: Db

Said you'd give me just a little kiss
 Ad you'd rock me for a little while
 Well you'd slip me just a piece of it
 Well listen up my little child
 I want it all or nothin' at all, say yeah, say yeah
 I want it all or nothin' at all
 Said you'd take me for a little dance
 If you had a little time on your hands
 Well all I do is push and shove
 Just to get a little piece of your love
 I want it all or nothin' at all, say yeah, say yeah
 I want it all or nothin' at all
 Well now I don't wanna be greedy
 But when it comes to love there ain't no doubt
 You just ain't gonna get what you want
 With one foot in bed and one foot out mmmh

You got to give it all or nothin' at all, say yeah, say yeah
 All or nothin' at all
 Yeah, nah nah nah nah
 Yeah, nah nah nah nah
 Yeah, nah nah nah nah, yeah yeah
 Now I only got a little time
 So if you're gonna change your mind
 Then shout out what you're thinkin' of
 If what you're thinkin' of is love
 I want it all or nothin' at all, say yeah, say yeah
 I want it all or nothin' at all
 I want to have it all or nothin' at all, say yeah, say yeah
 I want it all or nothin' at all, oh
 I want it all or nothin' at all, say yeah, say yeah
 I want to give it all or nothin' at all
 Oh yeah, all right
