

Bruce Springsteen - Be True

tom:

A

Bm

D E A Gbm

Your scrapbook's filled with pictures of all your leading men
Well baby don't put my picture in there with them

Bm

Don't make us some little girl's dream that can't ever come true

D G E

It only serves to hurt and make you cry like you do

E D E A Gbm Bm A

Well baby don't do it to me and I won't do it to you

A Gbm

You see all the romantic movies, you dream and take the boys home

D E A

But when the action fades you're left all alone

Bm

You deserve better than this, little girl, can't you see that you do

D G E

Do you need somebody to prove it to you?

E D E A Gbm Bm A

Well you prove it to me and I'll prove it to you

A Gbm A

Now every night you go out looking for true love's satisfaction

Gbm D

But in the morning you end up settling for just lights,lights,
lights, lights

E

Camera, action

A Gbm Bm

And another cameo role with some bit player you're befriending

D E A

You're gonna go broken-hearted looking for that happy ending

D Gbm Bm

Well girl you're gonna end up just another lonely ticket sold

Bm D G E

Cryin' alone in the theater as the credits roll

E D A

You say I'll be like those other guys

Bm A

Who filled your head with pretty lies

Gbm D E

And dreams that can never come true

D E A

Well baby you be true to me

Gbm Bm A

And I'll be truuuuue to you
