tom:

A

A

I'm standing in the backyard  
Listening to the party inside  
Tonight I'm drinkin' in the forgiveness

A D  
This life provides

A

The scars we carry remain but the pain slips away it seems

A E A  
Oh won't you baby be in my book of dreams

A  
I'm watchin' you through the window  
With your girlfriends from back home  
You 're showin' off your dress

A D  
There's laughter and a toast

A

From your daddy to the prettiest bride he's ever seen

A E A  
Oh won't you baby be in my book of dreams

A

In the darkness my fingers slip across your skin  
I feel your sweet reply

A

The room fades away and suddenly I'm way up high

A  
Just holdin' you to me

A

As through the window the moonlight streams

A

Oh won't you baby be in my book of dreams

A

Now the ritual begins

'Neath the wedding garland we meet as strangers  
The dance floor is alive with beauty

A

Mystery and danger

A

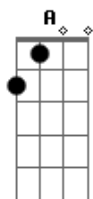

D

We dance out 'neath the stars' ancient light into the  
darkening trees

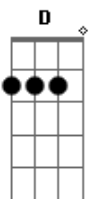

A

Oh won't you baby be in my book of dreams
