

Bruce Springsteen - Bring On The Night

tom:
 I lie in bed but baby I can't sleep no matter how hard I try
 There's something bad baby, wrong with me whenever I close my eyes
 The dreams of Mary keep me awake with every little curve in place
 When I walk home in the daybreak, I pray
 Come back home, baby, won't you give me
 Darling bring on the night
 Oh yeah darling, bring on the night
 Oh, now darling, bring on the night
 I walk the street, I'm lookin' for romance I end up stumblin' in some stupid halftrance
 As I watch the lovers mix with circumstance we watch the disco dancers dance
 I look for connection in some new eyes but for protection they're tranquilized
 Forbidding close inspection of who's tellin' who
 Forbidding close inspection of who's tellin' who lies
 Bring on the night

Oh yeah darling, bring on the night
 Oh now darling, bring on the night
 Is it as simple as it seems? I don't know what I'm doin' here
 Is it as simple as it seems? Is it as simple as I fear? Well if I'm right
 [Solo]
 I look for connection in some new eyes but for protection they're tranquilized
 Forbidding close inspection of who's tellin' who
 Forbidding close inspection of who's tellin' who
 Baby of who's tellin' who lies
 Bring on the night
 Oh, yeah darling, bring on the night
 Oh, now baby, bring on the night
 Oh, now darling bring on the night
 Come home, baby, bring on the night
 Oh, now darling bring on the night
