First time I crossed my heart I was beggin' baby please
At your bedside Down on my knees

A

When I crossed my heart

E

When I crossed my heart

B

I crossed my heart pretty baby over you

E

E

Second time I crossed my heart rain came in from the south
I was lyin' there with somethin' sweet and salty in my mouth

A

When I crossed my heart

E

When I crossed my heart

B

I crossed my heart pretty darlin' over you

E

A

Well you may think the world is black and white

E

And you're dirty or you're clean

A

You better watch out you don't slip

B

Through those spaces in between

E

Where the night gets sticky and the sky turns black
I grabbed you baby and you grabbed me back

A

And we crossed our hearts

E

We crossed our hearts

B

Yeah I crossed my heart

E

A

Well little boys little girls

E

Hell they know their wrongs from their rights

A

And once you cross your heart

B

You ain't never supposed to lie

E

Well life ain't nothing but a cold hard ride
I ain't leavin' 'till I'm satisfied

A

I cross my heart

E

Yeah I cross my heart

B

Well I cross my heart pretty darlin' over you
