

# Bruce Springsteen - Cynthia

tom:

Intro: D C G D C G

D C G D C G  
Cynthia, when you come walking by you're an inspiring sight  
D C G D C G  
Cynthia, you won't smile or say hi but baby that's alright  
C D C D C  
'Cause I don't need to hold you or taste your kiss

I just like knowing, Cynthia, you exist  
D C G

In a world like this

D C G D C G  
Cynthia, when you pass it seems like this whole town drops  
D C G D

C G  
Cynthia, or maybe it's just baby and these fools stuck here  
punchin' this clock

C D C D C  
Well you give us a reason to stop just for a while  
G D C G

Stop, stand and salute your style

D C G  
Yeah Cynthia

C D C D C  
Well now you ain't the finest thing I'll never have

G D C G  
And when you go the hurt you leave, baby, it ain't so bad  
D C G

No it ain't Cynthia

C D C  
G  
There ain't a man in this whole town who'd say you ain't fine  
C D

You hear the guys talkin', tell me baby do you mind

G C D C G  
Well you make us happy, honey, when we feel sad  
C D

To see something so good in a world gone bad

D C G  
There's still Cynthia oh yeah

D C G D C

G  
Cynthia, no one knows your number, no one knows where you live  
D C G D

C G  
Cynthia, I wonder do you understand this strange thing you  
give

C D C D C  
Well baby is it your style, the mystery in your smile

G D C G  
Or just how cool you walk in a world gone wild

D C G  
Tell me if you will, Cynthia

C D C D C  
Well I gotta be pretty naive to believe in you

G D C G  
I know you ain't ever gonna be my dream come true

D C G  
That's alright, I got other dreams as good as you, Cynthia

D C G  
Yeah now baby, now this ain't no come-on

D C G D C G D C

G  
Just walk on, Cynthia, walk on that's right

D C G  
C You make me holler, yeah, yeah, alright

D C G  
I said yeah, yeah, yeah, alright
