Yeah girl, won't you come on out tonight

Hey girl, where the stars are shining bright

Gotta get that feeling (gotta get that feeling)

Yeah, we gotta get that feeling (gotta get that feeling)

Oh, back again

Yeah back again

Tonight, you know there's something in the air

Tonight, we ain't got money but we don't care

We just gotta get that feeling (gotta get that feeling)

Yeah, I wanna get that feeling (gotta get that feeling)

Before the night is through

I want you to get that feeling too

Hold me in your arms, the night will take care of us

Come the rain or the storm love will be there with us
