

# Bruce Springsteen - Held Up Without A Gun

tom:

Intro: C F C C  
F C F C

I was out driving, just taking it slow

Looked at my tank it was reading low

Pulled in an Exxon station out on Highway One

Held up without a gun, held up without a gun

Some damn fool with a guitar walks in off the street

Ain't got nowhere to go and nothing to eat

Man with a cigar says "sign here son!"

Held up without a gun, held up without a gun

It's a sin and it oughta be a crime

You know it happens buddy all of the time

Try to make a living try to have a little fun

Held up without a gun, held up without a gun

Held up without a gun, held up without a gun

## Acordes
