Bm G
Once I dreamed we were together again baby you and me
A G
Back home in those old clubs the way we used to be
Bm
We were standin' at the bar it was hard to hear
G
The band was playin', you were shoutin' somethin' in my ear
A
You pulled my jacket off as the drummer counted four
G
You took my hand and pulled me out on the floor
Bm
You just stood there and we started dancin' slow
G
And I swore I'd never let you go

Well I saw you last night out on the avenue

Your face was in the shadows but it was you

You didn't answer when I called out your name

Like just another stranger waitin'
