

Bruce - Acoustic Song

tom:

Intro: Em D Am
Em D Am Em

Em D
We live and die like all the rest

Am Em
Every summer has its sunset every year

D
Love and hope put to the test

Am Em
Every grain of comfort holds the seed of fear

Am Em
And I loved you long ago

D G D
And I love you still

Am
But the roads that we have travelled

Em
Took us far apart

G
Scattered to the four winds
D Bm

Some day we will find the time to heal

(Em D Am)
(Em D Am Em)

Em D Am Em
And I loved you long ago

[Solo] Em D Am
Em D Am
Em D Am Em

Am Em
And the stars that bear my name
D G D
Are the wounds that never heal

Am
But the road that we have travelled

Em
Took us far apart

G D Bm
And I love you still

Em D Am Em
And I loved you long ago
