

# Bruna Caram - Fim de Tarde

Tom: **D**

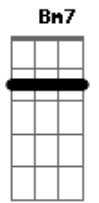

**D**  
 Eu só desperto quando ascende o farol  
**Bm7**  
 Vai acontecer!  
**D**  
 No fim de tarde na viagem do sol  
**Bm7**  
 Hora de te ver  
**G**  
 Nas avenidas uma constelação  
**Em**  
 Sonho e poder  
**Em7**  
 Luzes chamando pelo meu coração  
**Gb7**  
**E** ele por você  
**G**  
 Preciso te encontrar  
**D**  
 De qualquer jeito  
**G**  
 Preciso te guardar  
**A7**

Dentro de mim  
**G**  
 Luzes e flashes de neon e cristal  
**A**  
 Todo o meu prazer  
**Gbm**  
 Hora do rush, noite na capital  
**B B7**  
 Como deve ser?  
**G**  
 Nessa cidade, tanto o bem, tanto o mal  
**A Bb Bm7 D7**  
 Tanta coisa no meu coração  
**G**  
 Na mesma hora, mesmo batlocal  
**A7**  
 Vou te esperar  
**Gbm**  
 Na mesma mesa finjo ler um jornal  
**Bm7**  
 Guardo seu lugar  
**G**  
 Na longa noite, nosso ponto final  
**A Bm7**  
 Fogo pra queimar nossa paixão
