Sinto que você chegou pra ficar

Com você tudo encontrou seu lugar

Pode armar a sua rede na sala

Minha casa quer teu cheiro no ar

Passaria o dia inteiro a te olhar

Amo ouvir teu coração palpitar

Preparei a alma pra tua chegada

Preparei o corpo pra te aconchegar

Vem cá

E7

Vem já

Traz teu carinhoso amor

Pra me bagunçar

Traz mais fome e mais amor

Pra me alimentar

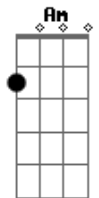

Pra ir e voltar
