

# Bruno Del Rey - Dead Soul

tom: [Primeira Parte]

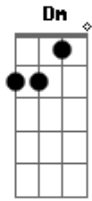

You came to me when I'd  
 Had my share of deaths  
 And oh, I've killed so many to be where  
 I thought it would be high  
 But I was wrong  
 And then the heaviness of empty heart  
 Led to me to the unpredictability  
 Of a dead mind  
 [Segunda Parte]

I speeded like a lightning bolt  
 And then the world got cold  
 And I could see right through the time  
 And oh, It made me realize  
 The worst that I'd had  
 Was feeling that my eyes were shut by  
 The hard inevitability

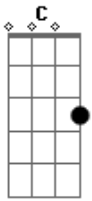

[Refrão]

Of a dead soul  
 Of a dead soul  
 Oh of a dead soul
