

Bruno e Marrone - Meu Primeiro Amor

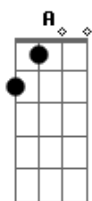

Tom: A

(intro) Am E

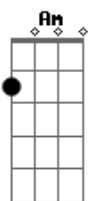

Am E
Saudade palavra triste quando se perde um grande amor
Na estrada longa da vida eu vou chorando a minha dor
Igual a uma borboleta vagando triste por sobre a flor
Teu nome sempre em meus lábios irei chamando por onde for
Am A7 Dm
Você nem se quer se lembra de ouvir a voz deste sofredor
Que implora por teus carinhos só um pouquinho do seu amor

A
Meu primeiro amor, tão cedo acabou só a dor
deixou nesse peito meu
Bm D E7 A
Meu primeiro amor, foi como uma flor que desabrochou e logo morreu
A A7
Nessa solidão, sem ter alegria o que me alivia
são meus tristes "ais"
Dm A Gbm7
São prantos de dor, que dos olhos caem
Bm E7 A Dm A
E porque bem sei, quem eu tanto amei Não verei jamais
