

Bruno Machado - Laços

tom:

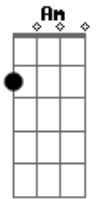

Intro: Am7 Am G G7M Gm Gbm7 F7M

A lua
Esconde o seu sorriso atrás de um véu de noiva
Me assusta
Ver uma beleza assim tão parecida
Com a tua
Paisagem mais bonita da cidade à noite
Que noite
Pensamentos leves, toques sem pensar

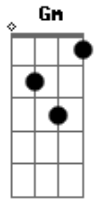

Am7 Am
Fim de noite
G7M
Nós: dois sóis
Gm
Tantos laços
Gbm7 F7M

Poucos nós
E ainda assim me embolo
E ainda assim me embolo nos teus braços
E assim me enrolo
E ainda assim me enrolo nos teus laços
Saudade
Sentimento leve que nos faz pesar
Vontades
De poder falar, ou até mesmo encontrar
Bobagens
Coisas foram ditas antes de pensar
Coragem
Pra voltar atrás, poder se desculpar
(Am7 Am G7M Gm Gbm7 F7M)
