

# Bruno Major - Old Fashioned

Tom: D

[Introdução] D D D D D

[Primeira Parte]

I know it's not very cool  
 Standing here, serenading like a fool  
 But I don't care  
 I'll gladly be a fool for you

[Segunda Parte]

I know the idea isn't new  
 To fall in love with someone on first view  
 But I don't care  
 I think I'll fall in love with you

[Refrão]

I'll put on my Sunday best  
 You pick out your favourite dress  
 I'll take you somewhere new  
 I'll be old-fashioned for you

[Terceira Parte]

It's a cliché or so I'm told  
 To give your jacket up to someone when it's cold  
 But I don't care  
 I don't mind the midnight air  
 Oh, oh

[Ponte]

I'll walk you home, to your front door  
 I'll say farewell until the morning calls  
 I'll be smiling a bigger smile than before

[Refrão]

I'll put on my Sunday best  
 You pick out your favourite dress  
 I'll take you somewhere new  
 I'll put on my Sunday best  
 You pick out your favourite dress  
 I'll take you somewhere new  
 I'll be old-fashioned for you

[Final] D D D
