

Bruno Mars - All About You

Tom: E

(acordes na forma do tom C)

Capostrate na 4ª casa

I know girl when you look at me you don't know how I feel
 'cause I'm usually so nonchalant my feelings I conceal
 But I want you to know oh I want you to know

I must admit I've felt this way for more than quite a while
 But I can't hold it no longer when I see your pretty smile
 Can't wait no more oh I can't wait no more

refrão:
 Girl to tell you the truth it's always been you
 I'm all about you oh girl no one can do me the way you do
 It's always been you I'm all about you

Maybe I'm a fool for speaking up... but I don't mind
 'cause a girl like you will come around like once in a million

times
 So what do I do tell me what do I do
 And the look that you are giving me gives me hope to believe
 I said for you baby I'll change my ways I'll wear my heart on
 my sleeve
 Got nothing to lose I got nothing to lose

refrão:
 Girl when you smile there's not a place I'd rather be
 Just stay for a while and you'll see that you should be
 Right here with me 'cause I love everything you do
 That's why I had to take this time
 Baby, to tell ya and now you know
 And now you know!

refrão:
 oh oh oh oh oh oh oh oh I'm all about you
