Em Am
I know girl when you look at me you don't know how I feel
Em Am
'cause I'm usually so nonchalant my feelings I conceal
F G G7
But I want you to know oh I want you to know
Em Am
I must admit I've felt this way for more than quite a while
Em Am
But I can't hold it no longer when I see your pretty smile
F G G7
Can't wait no more oh I can't wait no more

refrão:
Em A7 F
Girl to tell you the truth it's always been you
G7 Em A7 F
I'm all about you oh girl no one can do me the way you do
G7
It's always been you I'm all about you

Em Am
Maybe I'm a fool for speaking up... but I don't mind
Em Am
'cause a girl like you will come around like once in a million

times
F G G7
So what do I do tell me what do I do
Em Am
And the look that you are giving me gives me hope to believe
Em Am
I said for you baby I'll change my ways I'll wear my heart on
my sleeve
F G G7
Got nothing to lose I got nothing to lose

refrão:
Em Am
Girl when you smile there's not a place I'd rather be
Em Am
Just stay for a while and you'll see that you should be
F
Right here with me 'cause I love everything you do
Em Em Am
That's why I had to take this time
G F G
Baby, to tell ya and now you know
G7
And now you know!
