I

I just woke up from a dream
Where you and I had to say goodbye
And I don't know what it all means
But since I survived, I realized

Wherever you go, that's where I'll follow
Nobody's promised tomorrow
So I'ma love you every night like it's the last night
Like it's the last night

If the world was ending
I'd wanna be next to you
If the party was over
And our time on Earth was through
I'd wanna hold you just for a while
And die with a smile
If the world was ending
I'd wanna be next to you

Woo-oooh
Ooh, lost
Lost in the words that we scream
I don't even wanna do this anymore
'Cause you already know what you mean to me

And our love is the only war
Worth fighting for

Wherever you go, that's where I'll follow

Nobody's promised tomorrow
So I'ma love you every night like it's the last night
Like it's the last night

If the world was ending
I'd wanna be next to you
If the party was over
And our time on Earth was through
I'd wanna hold you just for a while
And die with a smile
If the world was ending
I'd wanna be next to you

Right next to you
Next to you
Right next to you

Oh-oh-oh

(Bm7 E7 Dbm7 Gbm7)

If the world was ending
I'd wanna be next to you
If the party was over
And our time on Earth was through
I'd wanna hold you just for a while
And die with a smile
If the world was ending
I'd wanna be next to you
If the world was ending
I'd wanna be next to you

(A7M)
Ooh, ooh
I'd wanna be next to you
