Dunking on his delegates.

Db
Then I compliment on his political etiquette.

Gbm
Toss a couple milli in the air just for the heck of it
E

But keep the fives, twentys, tens, and bens completely separate
And yeah I'll be in a whole new tax bracket
We in recession but let me take a crack at it
I'll probably take whatever's left and just split it up
So everybody that I love can have a couple bucks
And not a single tummy around me would know what hungry was
Eating good sleeping soundly
I know we all have a similar dream
Go in your pocket pull out your wallet
And put it in the air and sing
