

# Bruno Mars - Wait For You

Tom: C

Am  
 Feel your heart beating fast  
 F  
 Hold me close make it last  
 C G  
 We knew this day would come  
 Am  
 So take a breath leave me and  
 F  
 Was so scared of you leaving  
 C G  
 Wish we could both just run  
  
 Am  
 Wish we could run it off  
 F  
 But we can't stop time  
 C G  
 Seems the clock is running too fast  
 Am  
 And now I'm feeling lost  
 F  
 And I can't read your mind  
 C G  
 But you don't have to ask  
  
 Am F  
 You know I wait for you  
 C G  
 If it takes a lifetime to do  
 Am F  
 Girl I will wait for you  
 C G  
 You're the only thing worth holding on to  
 Am  
 No matter how far  
 F  
 Girl I can't live without my heart  
 C G  
 I hope you come home soon, soon  
 Am F  
 Girl I will wait for you  
 C G  
 If it takes a lifetime to do  
 Am  
 Girl I wait  
 F C G  
 Wait wait wait for you oh

Am  
 Our phone calls will have to do  
 F  
 Write you letters just to prove  
 C G  
 You're the only thing on my mind  
 Am  
 I know it's hard, but we'll get through  
 F  
 Just hold on I promise you  
 C G  
 Soon you'll be here by my side  
  
 Am  
 If I could put it off  
 F  
 But we can't stop time  
 C G  
 Seems like the clock is running way too fast  
 Am  
 And now I'm feeling lost  
 F  
 And I can't read your mind  
 C G  
 But you don't have to ask  
  
 Am F  
 You know I wait for you  
 C G  
 If it takes a lifetime to do  
 Am F  
 Girl I will wait for you  
 C G  
 You're the only thing worth holding on to  
  
 Am  
 No matter how far  
 F  
 Girl I can't live without my heart  
 C G  
 I hope you come home soon, soon  
  
 Am F  
 Girl I will wait for you  
 C G
