

Bruno Rosa - Far From You

Tom: C

As the night is over, we once again
 Recall the lies
 Somethings I should have learned from you
 Others I try

How long my friend, I don't seem to know so well this time
 Its not the best, Choice for me to let you go for now
 It hurts só much to see you go away
 All that you know so well

Come on, come on, come on
 Cant be far from you, far from you
 Hello, hello, hello
 Im lost in you , Lost in you?.

Theres just no warm place waiting for me
 I'm trap outside
 Somethings that I felt, you never knew

I sick I hide

How long my friend, I don't seem to know so well this time
 Its not the best, Choice for me to let you go for now
 It hurts só much to see you go away
 All that you know so well

Come on, come on, come on
 Cant be far from you, far from you
 Hello, hello, hello
 Im lost in you , Lost in you?.

Althoug I try, I fall behind, I fell it inside
 Can't let it go, I fall from grace ? Too much to take
