

BRVNS - Yas Queen

Tom: C

And if i die, i'll catch you later
 Same old shit, same old haters
 I know you're mad about the misfits guy in your refrigerator

Ooh ooh
 Ooh ooh

And if i die, i'll catch you later
 Same old shit, same old haters
 I know you're mad about the misfits guy in your refrigerator

Ooh ooh
 Ooh ooh

Yas, queen
 We can make some pasta and drink a lot, of beer
 Someday i'll know that you were always there for me
 Maybe i just want to keep my heart clean

You know you can do it all
 Cause you said to me to be
 You said to me to be
 You said to me to be

Yas, queen
 We can make some pasta and drink a lot, of beer
 Someday i'll know that you were always there for me
 Maybe i just want to keep my heart clean

And if i die, i'll catch you later
