

# Bryan Adams - A Little Love

Tom: C  
 C  
 above sequence is being repeated a number of times throughout the song and the same is connected to another sequence F as.....  
 F

The song is pretty simple. Only basic chords are used like C, F, G...  
 The song goes as under.  
 Intro: C (the sequence is repeated)

C  
 C some people walk the straight and narrow - some walk the rocky road  
 C some get the silver spoon and some get the heavy load  
 F there's a man in a paper box he smiles whenever we walk by  
 C we just walk a little faster and say "there but for the grace of God go i"  
 G Am F C F C  
 G but a little love - just a little love - a little love can change it all  
 C  
 C i've been up and down this highway and i ain't seen a road sign yet  
 C it's a cold hard world baby you gotta hang on to what you get  
 F

well i don't believe in miracles but that don't mean they don't come true  
 C  
 C well i may not get to heaven but i get a little closer when i'm with you  
 G C G Am F C F C  
 G but a little love - just a little love - a little love can change it all  
 F (yeah)  
 F well i get a little tired walkin' down the street  
 F people on my side - everyone i meet  
 C but they don't know what's on my mind  
 C and they don't know that they might find  
 G C G Am F C F C  
 G a little love - just a little love - a little love can change it all  
 C  
 C right when you think you don't need love is when you need it most  
 C if you got the father the son and the holy ghost  
 F well there's more to truth baby than what we know is true  
 C  
 C ya we wander round in the darkness but every now and then a little light shines thru  
 G Am F C F C  
 G and a little love - just a little love - a little love can change it all
