

Bryan Adams - Heat Of The Night

Tom: G

G A, G E, G A, G E 2X

G A I was caught in the crossfire
E of a silent scream

A Where one man's nightmare

E is another man's dream

A Pull the cover up high

A and pray for the mornin' light

C Cause you're livin' alone

D in the heat of the night

Met a man with a message
from the other side
Couldn't take the pressure
had to leave it behind
He said it's up to you
You can run or you can fight (Ya that's right)
Better leave it alone
in the heat of the night

Chorus

G E In the heat of the night
D they'll be comin' around
Em They'll be lookin' for answers
C they'll be chasin' you down
G In the heat of the night
C

(Where ya gonna hide when it all comes down?

D Don't look back don't ever turn around)

Chorus

G E In the heat of the night
D they'll be comin' around
Em They'll be lookin' for answers
C they'll be chasin' you down

In the heat of the night

C2 (Where ya gonna hide when it all comes down?

D Don't look back don't ever turn around)

G E In the heat of the night

D they'll be comin' around

Em They'll be lookin' for answers

C they'll be chasin' you down

G In the heat of the night

C (Where ya gonna hide when it all comes down?

D Don't look back don't ever turn around)

Had to pay the piper
to call the tune
Said he'd be back someday
said he'd be back real soon
Pull the shades down low
you'll know when the time is right
When you're lyin' alone
in the heat of the night

Acordes
