

Bryan Adams - Somebody

Tom: F
Intro: F-G F-G F-G - Am

1. I've been lookin' for someone, between the fire and the flame,
we're all lookin' for somethin' to ease the pain.

Now, who can you turn to, when it's all black and white,
and the winners are losers, you see it every night.

I need somebody, somebody like you,
everybody needs somebody.

I need somebody, hey, what about you,
everybody needs somebody.

When you're out on the front line, and you're watchin' them fall,

doesn't take long to realize, it ain't worth fightin' for.
I thought I saw the Madonna, when you walked in the room,
and your eyes were like diamonds, and they cut right through,
oh they cut right through.

I need somebody, somebody like you
Everybody needs somebody.
I need somebody, hey what about you.
We all need somebody

BASE D0 SOLO: F-G F-G F-G - Am

Another night, another lesson learned,
it's the distance that keeps us sane.
But when the silence leads to sorrow,
We do it all again, all again.
