

Bryan Adams - Take Me Back

Tom: C
 Intro: Am C F Am Am C F Am Dm
 I should have seen it coming baby
 I should have seen the signs
 Didn't really think that she needs me
 I must have been blind
 She didn't give me a warning
 Said I shouldn't treat you wrong
 But when I woke up this morning
 She was gone, gone, gone
 Chorus:
 She said take me back won't you
 Take me back won't you
 I changed my ways
 Said take me back won't you

Take me back won't you
 I'm not the same
 She didn't tell me about it
 I supposed to read your mind?
 You made me get up and shout it
 It's a crime, crime, crime
 I should have seen it coming baby
 I should have seen the signs
 Didn't really think that she needs me
 I must have been blind
 Chorus
 I'm not the same, yeah
 Ah won't you take me back?
 Ah won't you take me back?
