

Bryan Adams - This Time

Tom: D
Intro: A D G E A D G E A D G E A D G E D

I think about her all the time, she's my fantasy
An image burning in my mind, calling out to me
While my imagination's running wild, yeah
Things are getting clearer, oh

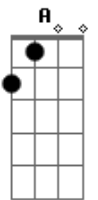

(Chorus)
This time
Everything is all right
No way she's gonna get away
This time everything is easy

Any day I'm gonna make her mine
I thought of every word I'd say, give or take a few
But she turns and slowly walks away, what do I have to do?
Hey turn up your radio, oh
There's something I want you to know, yeah
Chorus
It's hard to take, cause she's miles away
And I've waited a long time
But the feeling is right
Darling one of these nights, yeah
I'm gonna let you know, oh
Chorus

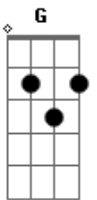

Acordes
