

Bryan Adams - Walk On By

Tom: G

I heard that you're leavin' - this sleepy little town
 The bright lights must have caught your eye cuz you ain't hangin' round
 Ya know people been talkin' - they say you're makin' a mistake
 Gotta get on that greyhound and forget about what they say

Just walk on by walk on by
 Don't look over your shoulder - keep your head up high
 Just walk on by

I've heard bad things about the city and i'm told that they're true
 Better watch out for those guys out there they're gonna hit on you
 So don't talk to no strangers - no it ain't your style
 Don't give up when the chips are down - just turn around and smile

Just walk on by walk on by
 Don't look over your shoulder - keep your head up high
 Just walk on by

Just walk on by

You're old enough to know why - you're old enough to know why
 Now you're standing at the station - got a ticket in your hand
 Guess you got your mind made up - gotta get out while you can
 Don't say I never told ya - now the rest is up to you
 Those streets can be like a battlefield - when it's hard to make it thru...

Just walk on by walk on by
 Don't look over your shoulder - keep your head up high
 Just walk on by

Just walk on by walk on by
 You're a little bit lonely you're a little bit shy
 Just walk on by

Just walk on by walk on by
 Don't look over your shoulder - keep your head up high
 Just walk on by

Just walk on by walk on by
 You're a little bit lonely you're a little bit shy
 Just walk on by
