

Bryant Barnes - Give Me a Sign

Intro: E7M B7M C7M
Am7 Bm7 Em7

I don't know why I let it get like this

I think I'm losing my head

I think I'm losing my head

You can't decide how much you want to give

'Cause there might be nothing left of you to hide and protect

You know I'm falling for you, girl

But you're too scared to show you

Feel the same I know you

Don't be scared to get your feelings hurt

I would never hurt you, you're the one I want

Can you give me a sign that you care?

'Cause I can't get you out of my mind

Don't need to lie 'bout what you feel

I just want you to be by my side, oh

Won't you show me your love?

Won't you reveal your heart?

Can you give me a sign that you care?

I just can't get you off my mind

Love

Love

Don't you know how I feel about you

How I'd feel without you?

Don't you see that I just need a sign?

I need you

And you know I'm falling for you, girl

But you're too scared to show you

Feel the same I know you

Don't be scared to get your feelings hurt

I would never hurt you, you're the one I want

Can you give me a sign that you care?

'Cause I can't get you out of my mind

Don't need to lie 'bout what you feel

I just want you to be by my side, oh

Won't you show me your love?

Won't you reveal your heart?

Can you give me a sign that you care?

I just can't get you off my mind
