

# Bsgi - Jobem herdeiro

Tom: A

O meu grande mestre da paz  
 Com a força e paixão  
 Sua vida dedicou  
 Para um novo amanhecer  
 Minha eterna gratidão  
 Muito obrigado, Sensei  
 Sou jovem herdeiro  
 Esperança da nação  
 Que com a garra e decisão

Eu desbravo a missão  
 Quebrando as barreiras  
 Com coragem vencerei  
 Ecoem os sinos da partida  
 Sou corredor líder no caminho da vida  
 Primavera da nova era  
 Sou brasileiro cidadão do mundo  
 Levo agora o bastão da paz  
 No grandioso palco do humanismo  
 Canto a sinfonia da vitória  
 Criando o triunfo de uma nova história
