

Building 429 - Hope Is Here (Do Not fear)

tom:

Intro: G C G Am

G C G Am
 There's never been a year
 When I've so needed
 To see the season come around
 To sing the sweet familiar carols
 See the lights all over town
 'Cause I need to be reminded
 In the darkness of these days
 Our God is not so far away

[Refrão]

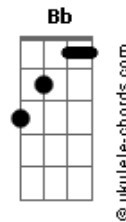

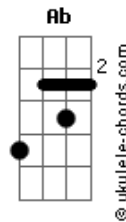

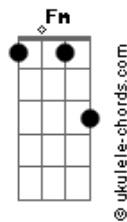

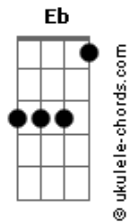

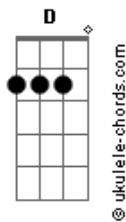

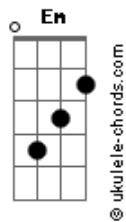

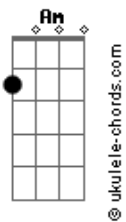

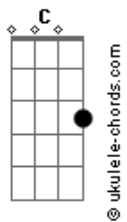

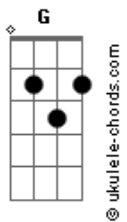

G Am
 Hope is here
 Love chose to leave His throne
 Hope is here
 He made our world his home
 There's an echo from the angels saying
 Do not fear
 Hope is here

[Segunda Parte]

G C G
 May we always seek him like the wise men
 Am G C D
 Following that star
 G C G
 May the holy wonder of the story
 G C D
 Captivate our hearts
 G C D
 Of how a tiny baby changed eternity
 Em Am
 So let us remember and believe

[Refrão]
