

# Built To Spill - Carry The Zero

Tom: E

Am7 E B7 Gbm  
 I'm not knocking your want to carry that home  
 Am7 E B7 Gbm  
 Took it with you when you moved and got it broke  
 Am7 E B7 Gbm  
 Found the pieces, we counted them all alone  
 Am7 E B7 Gbm  
 Didn't add up, forgot to carry a zero

Am7 E B7 Gbm  
 I can't be your apologist very long  
 Am7 E B7 Gbm  
 I'm surprised that you'd want to carry that on  
 Am7 E B7 Gbm  
 Count your blemishes you can't they're all gone  
 Am7 E B7 Gbm  
 I can't see your response putting them back on  
 Am7 E  
 Like they're waiting for your guard to fall  
 B7 Gbm  
 So they can see it all  
 Am7  
 And you're so occupied with what  
 E B7  
 Other persons are occupied with  
 Gbm  
 And vice versa

Am7 E B7  
 So you've become what you thought was dumb  
 Gbm  
 A fraction of the sum  
 Am7 E  
 Yeah you've become, yeah you have become  
 B7  
 A fraction of the sum  
 Gbm  
 The middle and the front  
 Am7  
 And now it's coming back  
 E  
 Hasn't come too far  
 Am7  
 I was trying to help but  
 E  
 I guess I pushed too hard  
 Am7  
 And now we can't even touch it  
 E  
 'Fraid it'll fall apart
