

bule - Ainda É Verdade

tom:

A

Olha quanto tempo que perdi nessa jornada

Conversa desencontro que não

Me levava a nada

Eu te sentia parte em mim

Olha que gozado era paixão desesperada

Foram tantas madrugadas de canções exageradas

Te querendo de mãos dadas

Num jardim de flores belas coloridas

Com os pássaros cantando

Isso tudo ainda é verdade

Isso tudo ainda é verdade sim

Passa longe de saudade

Tampouco vaidade

É que ainda dói um

Bocado em mim

Desconta o tempo que perdi e ainda

Sobra pra repartir

Carícia por carícia, abraço por abraço

Espaço por espaço em mim, carinho por carinho

Eu viro um monstro de esperança ainda, sabe?

Isso tudo ainda é verdade

Isso tudo ainda é verdade sim

Passa longe de saudade

Tampouco vaidade

É que ainda dói um

Bocado em mim

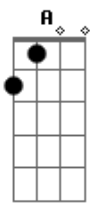

Eu não te quero mais

Do jeito que eu pensava

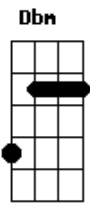

Eu quero muito mais
