

Bullet For My Valentine - Bittersweet Memories

```
Tom: G
      You turn me off at the push of a button
And you pretend that I dont mean nothing
I'm not a saint thats easy to tell
But guess what honey it aint no angel
You like to scream these words as a weapon
Well go head take your best shot woman
I wanna leave you its easy to see % \left\{ 1,2,\ldots ,n\right\} =0
But guess what honey its not that easy
We get so complicated (complicated)
These fingers full of memories
So rip my pictures from your wall
Tear them down and burn them all
Light the fire and walk away
Theres nothing left to say so
      Take the ashes from the floor
Bury them to just make sure
That nothing more is left of me
Just bittersweet memories
 (Memories)
I wanna run and escape from your prison % \left( 1\right) =\left( 1\right) \left( 1\right)
